Seamless Access to the Business Hubs

From Unitech Cyber Park to major tech corridors in Sectors 44, 32, and beyond, work is always within reach.

It isn't just about convenience,
it's about being at **the centre of possibility.**

Direct access to NH-48, Golf Course Road, and Southern Peripheral Road ensures smooth travel to Delhi and Gurugram's business districts.

The HUDA City Centre Metro Station and upcoming metro stations enhance daily commuting ease.

Road Upgrades
A proposed underpass at Bakhtawar Chowk will ease congestion, integrating with the metro and the upcoming Inner Ring Road for smoother traffic flow.

Metro Expansion
An under construction 28.5 km corridor with 27 stations will redefine mobility. Phase 1 (15.2 km, 14 stations) begins in May 2025, with completion expected by mid-2027. Cyber Park, Sector 45 & Sector 47 stations will provide seamless metro access to the area.

Commercial Growth
With increasing corporate hubs and one of India's largest upcoming IKEA in Sector 47, the area is rapidly emerging as a prominent retail and business destination.

Leading hospitals like Medanta Medicity & Artemis, along with top schools such as The Shri Ram School & DPS International, are within a 5 km radius.

Close to Cyber City, Golf Course Extension, South Point Mall, and Sector 29's entertainment zone, offering a vibrant lifestyle.

DUSK VIEW

The image is a wide-angle photograph of a modern high-rise building's rooftop terrace. On the left, a curved, copper-colored overhang with a recessed LED light strip extends over a glass-walled lounge area. Below this, a wooden deck features two grey outdoor sofas, a small tree, and a person in a white robe sitting. In the foreground, a large infinity pool reflects the sky and the city below. The background shows a vast, dense urban landscape under a clear blue sky.
